

**ORHS CLASS OF 67
40TH REUNION PROJECT**

You can help beautify the grounds of the new Oak Ridge High School by donating money for trees, plantings, and outdoor furniture. We CAN make a difference!

Our last Reunion Project, the ORHS sign on the Auditorium Building, will continue as an integral part of the new facility.

*Fund Raiser
for Landscaping*

The landscaping budget was sacrificed to ensure complete funding for the new buildings. Let's work together as a class to make the new school as pleasing on the outside as it will be inside. ORHS can be a jewel for the community if we pitch in to help purchase trees, shrubs, and outdoor furniture. Look inside to see how we can help!

Oak Ridge High School
BEAUTIFUL!!**

The Plan

\$250,000 for landscaping was CUT from the budget of the new high school facility. The amount remaining will provide very minimal plantings. Our class has the opportunity to help! The Superintendent and the project architect have suggested the following breakdown of landscaping sub-projects. Plans are to help with as many subprojects as possible. Your help is needed, both to donate funding and to prioritize how our money is spent!

Donations will be in the name of "ORHS Class of '67 & Friends" and a plaque honoring our contribution will be included in the landscaping. Presentation of our donation is planned at 2:00 on Sunday, June 17, 2007 along with a tour of the new high school.

If you would like to provide full funding for a specific sub-project in your name, please call Karen Edwards at 865-376-3453.

Remember, contributions are fully tax deductible, as they will go through the Oak Ridge Public Secondary Education Foundation!
