Dear Ms. Metcalf:

Enclosed is the third, and probably final, installment of payments received for the ORHS Class of '67 and Friends landscaping project. Additional checks may possibly come in and if so I will forward them to you, but our fundraiser officially ended on June 17.

I have included a printout of the names and addresses of the donors in this batch, along with the amount of their contribution. I have also included a copy of a letter to Dr. Bailey summarizing the results and documenting the agreements reached on which particular projects will be funded with this money.

Again, thanks so much for your help on this project!

Sincerely,

Karen Edwards
